# Time for a Check-Up!

Hi <<First Name>> <<Last Name>>,

To celebrate Merdeka, we are offering a **FREE** network assessment for your organization! It take ***less than an hour***, and you will get complete diagnostic of your network health which will help you to answer questions such as:

- Why is my network so slow? How much of my bandwidth is ***actually being utilized?*** Do I need bandwidth upgrade?
- What are my users ***doing with the bandwidth?*** Can I monitor and prevent access to ***non-productive websites?***
- Is my network ***secure*** enough?

Call or email now to book your **FREE** network assesment!
